

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation. Which you seem to keep ignoring so we will be getting you out Mr. Powel.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. So I therefore refuse to let my airwaves be used for this blatant contempt for the Law of the United States of America and Mr. Powell I think it is time for you to step down. Fahrenheit 9/11 should be showed the next night on our free public airwaves.

Thank you.
